Your weekly guide to understanding God with others

Follow - Week 3

Jossy Chacko

Introduction

Travelling back from Jerusalem, Joseph and Mary took 24 hours until they realised they had lost Jesus.

We can often find ourselves swept up in the weekly routine of church, work, socialising and family. We can become consumed with the daily tasks of life and lose sight of our purpose as followers of Jesus.

Bible Passage

Luke 2:41-50

Discussion

1. Where was Jesus in this passage and what was He doing?
2. What is the Passover festival that the family were attending? Why is it celebrated annually?
3. Why do you think Mary and Joseph took a day to realise that Jesus was not with them? Have you ever had a moment when you lost sight of your child? What did you feel?
4. Have you ever found yourself going down a certain path, a fun option, making a logical decision and realising along the way that you had not checked in with God? What did you do at that point? What leads to that happening?

Respond

We can find ourselves caught up with the business of life, even with celebrations like Christmas or Easter, and forget the real meaning of the event and why we are here. When did you last share the impact that Jesus has in your life?
