(Intro)

(Verse 1)

I'm here in your garden Been here for a day
Here in your presence A place where I pray

(Verse 2)

Your words are the flowers In the fields where I lay
They're full of your kindness Whispers of grace

(Chorus)

God you're my sanctuary
God you're my sanctuary

(Verse 3)

I sense a peace I don't understand I feel it all over as I start to dance
My heart it smiles when I see you walk in
Your spirit sings praises like joy In the wind as it rustles the leaves

(Chorus) x 2

(Bridge)

Thank you for loving me even with all of my scars
Thank you for being God the God that you are

(Chorus) x 2
