Crossway Original

(INTRO)

(Verse 1)

I'm not alone in this place
I know I have a Father
Even when Your heart seems far
You're closer than a brother
Your Spirit in me

(Pre Chorus)

When I'm caught in my head
I am freed by Your promises
Now I'm captured by Your plans
Though I'm weak, I'm not afraid
I will trust in all Your ways
As I'm on my knees again

(Chorus)

**I declare my surrender
Put down all my weapons and all my defences
Raise the flag I yield
Put down all my weapons and all my defences
I surrender**

(Verse 2)

Come and take my broken jars
And put them back together
Take this land take my heart
It's open for Your kingdom
To come and invade

(Pre Chorus 2)

When I'm caught in my head
I am freed by Your promises
Now I'm captured by Your plans
Once a slave now no more
With Your word my spirit soars
You will raise me up again

(Chorus)

(Bridge) x2

Take my life take what's Yours
Take my ruins come restore
Lord I come with expectation
Claim Your place on Your throne
Ruler of my heart and soul
I am ready for revival

(Chorus) x3
